

PARELLI EXPERIENCE 2012

For over 20 years Parelli has set the savvy-bar high by redefining industry standards, leading the revolution in horsemanship, stimulating the dreams of horse lovers and delivering the education necessary for students like YOU to reach significant personal goals. This special event provides education and experience ... using the central principles of LOVE, LANGUAGE & LEADERSHIP.

Make your highest dreams and goals a reality!

PARELLI EXPERIENCE

Thorsby Alberta (Haymaker Arena)

June 22 -26 2012 (5 days) \$1,443.75 (includes gst)

Presented by Don Halladay and John Baar, (Tn. U.S.A.)

Supported by Junior Instructors

COURSE INFORMATION:

Don Halladay and John Baar team up to bring the Parelli Experience to Alberta. John Baar is a Five Star Instructor and was head of Faculty at Pagosa Colorado and Ocala Florida for five years. The Parelli Experience will mirror

John's experience with content and process in those centers. This course is for the student looking for advancement to a whole new horsemanship level. This course will cover all four Savvys and will pave the way for advancement. Each day will be a combination of lectures, demos and focus stations.

Recommended for students studying Level 1 through 4

Areas of study

- Read horses at a deeper level, understand core behaviors
- Balance each Horsenality, learn the keys to: calming, building trust, development motivation and cultivating willingness
- Advance On-Line skills: 22-foot line, 45-foot line, two line driving
- Advance Liberty Skills: the round pen and beyond
- Developing rapport and respect-bonding and boundaries
- Mental and emotional fitness for horses
- How does purpose give you a focus
- How does your horse truly respond when there is "a job to do"
- Where are the holes in your foundation impeding progress
- Increasing confidence in you and your horse under saddle
- Taking techniques, rein positions and cues to a subtle level
